WORK EXPERIENCE

UX Designer

Amazon, Seattle, USA | July 2021 - Present

Contributes to the design and consolidation of Amazon's homepage customer experience by collaborating with all partner teams.

Creates slot guidance, wireframes, and mockups to enhance the user experience during high-velocity events.

UX Design Intern

Amazon, Seattle, USA | June 2020 - August 2020

Designed wireframes for an inspirational shopping feature on Amazon through market analysis, customer feedback, site metrics, usability findings, and business requirements.

Collaborated with stakeholders to deliver effective and user-centered designs.

Sustainability Advisor and CCA Fellow

The San Francisco School, California, USA | Oct 2019 - Dec 2019

Designed and led 10 weekly art and design projects for preschool students.

Conducted a sustainability assessment and provided recommendations to improve the school's practices and align with its sustainability goals.
